

Welcome!

Thank you for taking your time to post your response for the online training discussion. After submitting your response on discussion board, evaluation, and post test for the module you've completed, we will be sending you a certificate via email.

How to create Username and Password:

1. Log on to <http://alzla.activeboard.com/>
2. On the *Members Login* box, click on "New Member."
3. Create a Username and Password (*Hint: Use the same username and password you created for alzceu.org*).

How to start a topic:

1. Find the module number under the Forum list that you've completed (*Example: Module 1 "Overview of Dementia"*). And click on the Forum title.
2. Click on "Start a New Topic".
3. Create a heading and body for your posting. After you are done click "Submit Post" located at the bottom of page.

How to private message Administrator and/or other users:

1. Click on your username (wherever it might be underlined and highlighted), it should take you to your *Member Profile* page.
2. Find left hand side quick bar under *Private Messaging*, click "New Message."
3. Type recipient's name (**Ex: Administrator = alzla**). Include your subject and body. When done click on "Send Message".
